

Beginner Routines

Men's Artistic Gymnastics - NAIGC Developmental Level

NAIGC
NATIONAL ASSOCIATION OF INTERCOLLEGIATE GYMNASICS CLUBS

This document contains sample routines for beginner gymnasts participating in the Developmental Level at NAIGC meets. Individual gymnasts will have various strengths, so it will often make sense to modify these routines to cater to individual strengths. Further information regarding general routine construction principles can be found in the document "Routine Construction Guide - Men's Artistic Gymnastics, NAIGC".

Here are some example routines (Note: Developmental has a cap on element group bonuses at 3, or 1.5 of bonus):

- Floor Exercise (FX) ([video](#))
